Dear Bob

Just a few lines to say how pleased we are with the latest job Lifetime Interiors have undertaken on our behalf, namely the three replacement squash court ceilings.

The school was very pleased when the courts were handed back a week earlier than planned. This was mainly due to your forward planning and your operatives working late, and through the weekend.

It is a pleasure to work with a company you know well and can trust to meet the tight schedules we all find our selves struggling with.

As you know the majority of the work where we require your skills, has quite often been in banks and schools where security and other issues are paramount. This is yet another reason why we have to be very careful when choosing contractors. We need someone we can trust and know Lifetime Interiors fits the bill!

We know we can depend on you to help with pricing and design issues, and recommend new products we have never even heard of.

Long may our acquaintance continue.

Yours Sincerely
For Brown & Whittaker Ltd
