24th February 2009

Dear Sirs,

I would like to congratulate you for a fantastic job you did on fitting out our new premises. I was amazed how you were able to complete all elements of the works with professionalism and an understanding of our requirements. We will have no hesitation in using you for any future works and will certainly recommend you to others.

Once again thanks for a brilliant job well done.

Yours faithfully,

Subash Bansal
Managing Director
Health and Beauty Wear Limited
